

HAPPY DIWALI

Show us how you celebrate the Festival
of Lights while being COVIDSafe!

#CelebrateSafelySD

Decorate Your Home

Hang up lights, put out candles and oil lamps, and create Rangoli around the house.

Prepare Traditional Diwali Recipes

Make samosas, aloo bonda, or
murukku with loved ones.

Have Small Family Get-Togethers

Instead of attending large gatherings or parties, celebrate with your close family members.

Treat Yourself (And Others!)

Invest in gifts for yourself or your loved ones, including utensils, clothing, home goods, or jewelry!
